- Mini-STX !
- FANLESS !
- Premium Aluminium !

Slim 1U fanless Mini-STX case, boasting a compact volume of 1.07L. Sleek design and fanless operation make it perfect for noise-sensitive environments. Compatible with VESA mount monitors, it saves desk space for a clutter-free setup.

- Premium aluminium fanless CPU cooling design
- Small volume of 1.07L
- Optional 1U rackmount panels
- Wide application

Material	Aluminium with anodised black
Motherboard Types	Mini-STX
Motherboard Support	(1) K3921-N mSTX / N1: Intel® Processor N50 (2C/6W) SoC (2) K3921-N mSTX / N4: Intel® Processor N200 (4C/6W) SoC (3) K3921-H mSTX / H1: Intel® Processor N100 (4C/6W) SoC
Maximum TDP Support	10 W
Dimensions	200.4 x 154.6 x 34.4 mm (W x D x H)
Front I/O Opening	USB-A 3.2 Gen1 x1, USB-C 3.2 Gen1 x1, Headphone x1, Microphone x1, Power button x1, COM port x1* **Kontron K3921-N has two COM headers whereas K3921-H has one COM header*
Rear I/O Opening	DC-In x1, Displayport x2, LAN x2**, USB 3.2 x4, COM port x1* **Kontron K3921-N has two COM headers whereas K3921-H has one COM header* ***Kontron K3921-N has two LAN ports whereas K3921-H has one LAN port*
Antenna Fitting Holes	2
Product Code	A-STX15-M1B
Optional	1U Rackmount Panel VESA Mounting
