- Metal vehicle mount
- Two round plates
- 6 cm mounting arm
- Dash and console mounting

The RAM-ROUND-2 is a metal mount for installing the Topicon MDT665 in a vehicle. It consists of two round plates and a 6 cm arm, making it suitable for stable dash or console mounting.

Its compact design allows flexible positioning of the device, while the metal construction provides the stability required for professional use.

A practical solution for vehicle workstations with fixed device mounting.
